

February 9, 2018

Dear Parents and Guardians,

It is that time of year again to begin looking at registration for the 2018- 2019 School Year! Please find the re-registration paper located in your child's "take home folder" to fill out and return to school with your child as soon as possible. This is an official registration, and it will help us to determine the direction we need to take as far as class units and supply needs. Please help us by filling out this document and returning it to school with your oldest child as soon as possible. The \$125 registration fee does need to accompany each registration form. Official registration for school families will open on Monday, February 12th. Registration will open for the general public on March 15th, 2018.

As of right now, our projected plan is to offer two units of Kindergarten, one unit of 1st Grade, one unit of 2nd Grade, and two units of 3rd Grade. Depending on what we see with registration numbers, this may change, but as of right now this is what we are looking at offering. Filling out registration paper work as soon as possible will help us to determine the best course of action.

As classroom units have not yet been determined, staff assignments have not been determined either. Those decisions are summed up towards the end of the school year. We will update you as needed during this process, as I know you like to have information on the next school year before summer break begins. Please know that as we work on this, it does take time, so thank you for your patience in advance.

If you have any questions about the registration document or the registration process, please feel free to contact me.

In Christ,

Greg Hughes
